MTS

Municipal Tax System

A simple to learn, full featured tax and fee collection program designed to collect Municipal, School District and County Real Estate Taxes, as well as the collection of other fixed fees and taxes.

It provides to the Tax Collector the DCED Tax Collectors Monthly Report as required by law.

MTS performs all tasks required or needed by an Elected or Appointed Tax Collector.

Ask how we can refund up to 100% of your annual support fee.

Simple & Clean Interface

All payments are made from this one screen

The MTS Program & Payment Portal are free for your use with the annual support fee.

With no contract to sign, we provide MTS with 5 databases on your computer, along with unlimited phone and web based support to answer questions & provide training to keep you collecting.

Reduce Your Work

Municipal Tax System **MTS**, designed by a 20-year veteran Tax Collector. The features you **WANT** and **NEED** are in the program.

MTS is quick to learn, easy to use. All payments are made from one screen. The MTS program is able to accept mortgage co. checks, bank lock box electronic files and hand scanner entry of payments. Most information needed for accepting payments is automatically entered. Payment entry is **FAST**.

Quickly print bills and receipts, **MTS** saves you a ton of time and effort.

On the Payment Portal, the Mortgage Co. enters "request for parcel information". They pay for detail; you get duplicate bill fee. They pay tax online, you hit Sync and all tax payer and Mortgage Co. payments are downloaded directly into your database. **NO re-keying!** Simple.

This saves you time and effort compared to processing everything by hand.

The Portal provides Certifications and Duplicate Bills 24 / 365

Increase Your Income
